## Summer Camp 2024

### Payment

Each camper is responsible for the full payment of his/her camper fees. Make checks payable to "NaCoMe Camp". In case a camper must withdraw, everything but a \$50 processing fee will be refunded until May 1, 2024. After this date no refunds will be issued.

### Check In/Check Out

Camper check-in for all camps will begin at 4:00 p.m. on the first day of the camp (Sunday, Wednesday, or Friday). Checkout for week-long/mini camps is at 1:00-2:00 p.m. on the final day of the program (Tuesday or Friday). Checkout for weekend camps is at 11:00 a.m. on the final day (Sunday). All parents/guardians and campers must check in with their counselor and, for your camper's safety, check out with their counselor prior to leaving camp. Campers who leave any time during their camp session may not return to camp. We ask this in order to not disrupt the Christian community atmosphere that we aspire to maintain within the camp experience.

### Money at Camp

Campers do not need money at camp. You can put money on their Camp Store account through the online registration system or by calling the Camp Office. Each weeklong camper will receive a \$10 credit on their account and weekend campers will receive \$2 to get a drink and a snack daily at the Camp Store if they choose. They can also use this money for shirts, Frisbees, or other available items. Any unused funds at the end of the session will be donated to our Camper Scholarship Fund; no refunds will be given.

### Insurance

All campers must be covered by family medical insurance. NaCoMe does not provide medical insurance for campers, nor does it assume financial responsibility for medical emergencies. Please provide complete medical information on the Health History Form, which can be found on the registration website.

### Write to Your Camper

You can send snail mail to your camper. NaCoMe's mailing address is:

NaCoMe Camp & Retreat Center  
Attn: Camper's Name  
3232 Sulphur Creek Rd.  
Pleasantville, TN 37033

Please know that NaCoMe is quite remote, so mail takes longer to arrive to us. Plan an extra 1-2 days for mailing any letters or packages to your camper.

During camper check-in, you will have the option to drop off any packages in our daily labeled bins in front of the office. Lastly, you may send an email using our camper mailing system and we will print it out for your camper. To use our emailing system, login to the registration website and scroll to the bottom of the page where it says "One Way Communication". From here you will be able to email your camper or send out invites to friends and family who may want to email your camper as well.

In an effort to help maintain the cleanliness of your camper's cabin, please do not send packages of candy (this includes gum) or food items to your camper. If such items are sent, your camper will not be allowed to have them in their cabin. Thank you for consideration and attention to this matter.

Please do not promise your camper they can call home whenever they want. We do not allow campers to call home, as this disrupts their camp experience and often makes any homesickness they may have even worse.

**Grounds for Dismissal**

We strive never to dismiss campers from camp, but NaCoMe reserves the right to do so in order to protect the campers and the camp community. Unruly or dangerous behavior or possession of tobacco, alcohol, drugs, firearms, weapons, or fireworks are grounds for immediate dismissal.
